Very proud of his hotel, the owner describes: Situated in a 15-block area of the pre-civil war-era built part of town, the mansion is 6 blocks from the main gate of the university (no info on how much further to the ZAC, but it can't be far). Each room includes a working fireplace. There is a nice front parlor where they provide a complementary wine and/or beer. While no alcohol is sold on the premises, we can BYO in the parlor.

Note: Saturday 17:00 – 22:00 is a wedding.
